

Deep Cleans are an extensive, detailed clean! Everything in your home is SCRUBBED from top to bottom; literally, every surface of your home is touched by our cleaning experts! DEEP Cleans are optional, but are highly recommended for our work to be 100% guaranteed. DEEP cleans typically take between 6-9 hours (depending on the size of the house and severity) with a 4-7-person crew.

That is why new clients typically start with an initial DEEP clean.

Furnished DEEP cleans include:

- Ceiling vents, Fans, Light Fixtures
- Wall switches/outlets, solid shelving and wall art
- Doors, door frames, door tracks and baseboards
- Blinds, inside of windows, sills and tracks (outside extra)
- Inside/Outside of all entry/exit glass doors
- Bathrooms: bathtubs, showers, sinks, toilets, vents are scrubbed and sanitized
- Tops/outside of cabinetry, backsplash, countertops, décor
- Inside/Outside/Behind microwave, oven and refrigerator
- All stainless steel is stripped and shine back to new
- Behind washer/Dryer
- All décor/hard surfaces wiped down/polished to shine
- Fabric/leather seating vacuumed/wiped
- Replace prepared linens/bedding
- Flooring vacuumed and mopped.

UNFURNISHED DEEP CLEAN:

Everything above including the inside of all cabinetry/bathroom vanities, inside freezer, closets and solid surface shelving to guarantee a turn key property!

DEEP cleans are optimal for pre/post party clean up, renovations, new construction, vacation rentals or regular upkeep. After a DEEP clean, most clients schedule regular BASIC cleanings on a weekly, bi-weekly or monthly basis.

PRO-TIP: When everything that we have scrubbed during a DEEP clean is gone over at least every 4 weeks, properties tend to stay clean for up to 2-3 years depending on the traffic, children & pets! We can even customize DEEP cleans to select rooms or areas of the home in need of a good scrub down!
